Item 4. Description of Securities.

Not applicable.

Item 5. Interests of Named Experts and Counsel.

Jodie Simon Friedman, Esq., Vice President (U.S.), Deputy General Counsel and Assistant Secretary of IFF, beneficially owns 26,596 shares of IFF Common Stock, including restricted stock, and holds options to purchase 18,000 additional shares of IFF Common Stock as of the date of this Registration Statement. Ms. Friedman is eligible to participate in the Plan. Ms. Friedman has passed upon the validity of the shares of IFF Common Stock offered under this Registration Statement.

Item 6. Indemnification of Directors and Officers.

On July 24, 1986, New York substantially revised the provisions of the New York Business Corporation Law ("BCL") to permit New York corporations to extend broader protection to their directors and officers by way of indemnity and advancement of expenses than that previously afforded by New York law. On October 31, 1986, the Board amended IFF's By-laws to extend such indemnification and advancement of expenses to its directors and officers. Article II, Section 14 of IFF's By-laws, as amended (the "By-laws"), provides among other things that IFF shall indemnify a person against judgments, fines, amounts paid in settlement and reasonable expenses arising out of an action or proceeding, to which such person shall have been made a party by reason of the fact he or she is or was a director or officer of the corporation, unless a judgment or other final adjudication adverse to such person establishes that his or her acts were committed in bad faith or were the result of active and deliberate dishonesty and were material to the action so adjudicated, or that he or she personally gained in fact a personal profit or other advantage to which he or she was not entitled. The By-laws also require IFF to advance litigation expenses of such director or officer upon receipt of an undertaking to repay such advances if the director or officer is ultimately determined not to be entitled to indemnification.

In July 1987, New York added Section 402(b) to the BCL which permits New York corporations, with shareholder approval, to amend their certificates of incorporation in order to eliminate or limit the personal liability of directors to a corporation and its shareholders for damages arising from breaches of the directors' duty. On May 13, 1988, IFF amended its Certificate of Incorporation by adding a new Article Eleventh which had been approved by the shareholders on May 12, 1988. Article Eleventh provides that no director of IFF shall be personally liable to IFF or its shareholders for damages for any breach of duty as a director. Article Eleventh does not permit elimination or limitation of the liability of any director if a judgment or other final adjudication adverse to him or her establishes that (i) his or her acts or omissions were in bad faith or involved intentional misconduct or a knowing violation of law or that he or she personally derived a financial profit or other advantage to which he or she was not legally entitled, or (ii) that his or her action involved (a) an improper declaration of any dividend or other distribution, (b) an improper redemption by IFF of its own shares, (c) the distribution of assets to shareholders after dissolution, without paying or adequately providing for, with certain exceptions, known liabilities of IFF or (d) the making of an improper loan to a director. Article Eleventh also does not authorize any limitation on the ability of IFF or its shareholders to obtain injunctive relief, specific performance or other equitable remedies, and would not apply to acts or omissions which occurred prior to the filing of the amendment to IFF's Certificate of Incorporation containing the limitation on directors' liability.

---

On December 9, 1975, the Board adopted a resolution pursuant to which IFF is obligated to indemnify, to the extent permitted by law, any director, officer or employee of IFF against any liability arising out of claims under the Employee Retirement Income Security Act of 1974.

In 2008, our Board approved an amendment to our By-laws to authorize IFF to provide indemnification and advancement rights by separate agreement to certain persons, including our officers and directors, and on July 22, 2008, the Board approved a form of indemnification agreement to be entered into by IFF, on the one hand, and each of IFF's directors and officers, on the other hand (each, an "Indemnification Agreement"). Among other things, each Indemnification Agreement provides that IFF will indemnify the indemnitee against certain expenses (including attorneys' fees), judgments, fines, penalties and settlement amounts that may be incurred by such person in connection with civil, criminal or other claims or other proceedings that may result from such person's service as a director and/or officer of IFF or in such other capacities as IFF may request, except if such person's acts were committed in bad faith or were the result of active and deliberate dishonesty and were material to the cause of action so adjudicated, or that he or she personally gained a financial profit or other advantage to which he or she was not legally entitled. In addition, each Indemnification Agreement provides for the advancement of expenses to the indemnitee.

IFF also maintains Directors and Officers Liability Insurance on behalf of its officers and directors.

Item 7. Exemption from Registration Claimed.

Not applicable.

Item 9. Undertakings.

The undersigned Registrant hereby undertakes: (1) to file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement (i) to include any prospectus required by Section 10(a)(3) of the Securities Act of 1933; (ii) to reflect in the prospectus any facts or events arising after the effective date of the Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the Registration Statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective Registration Statement; and (iii) to include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement, provided, however, that paragraphs (1)(i) and (1)(ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the Registration Statement; (2) that, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new Registration Statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof; and (3) to remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the Registration Statement shall be deemed to be a new Registration Statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.

**SIGNATURES**

Pursuant to the requirements of the Securities Act of 1933, the Registrant certifies that it has reasonable grounds to believe that it meets all of the requirements for filing on Form S-8 and has duly caused this Registration Statement to be signed on its behalf by the undersigned, thereunto duly authorized, in the City of New York, and State of New York, on this 20th day of December, 2010.
